This index is for scanned images from the *Union County Public Library's* Scrapbooks 1-5 kept in the Locked Files. The scanned images do not represent a complete set of the series of columns which were written under the direction of the John Foster Chapter DAR & published in the Monroe Enquirer newspaper from November 1957 - June 1965. **If you wish to receive a column from the index below** as an email attachment (free) please email us at: ucplgenealogy@unioncountync.gov. Provide name of column and date of article(s). Please limit your request to six (6) images at one time. *Questions? Call us at 704-283-8184 ext 224.*

The library does have a complete set of these columns, compiled and donated by a patron, titled "Our Heritage" Series (on cart, **R 975.6 OUR**). If you wish us to look at that index for the complete set and see if there are more articles related to your surname, please let us know; unscanned articles are usually handled via U.
